Recapitulation of the Highway Expenses, by the Selectmen.

| | | | |
|--|-----------|--|----------------|
| Amount voted for the repairs of High- ways and Bridges, | 1200 00 | Property now on hand which was paid for out of the money voted for the repairs of Highways and Bridges, viz. : | |
| Deduct amount expended, | 758 51 | 1 Horse, | 100 00 |
| Balance unexpended, | \$ 441 49 | 1 Horse Cart, | 25 00 |
| Add property on hand, | 143 75 | 1 Plough, | 12 00 |
| Balance in favor of the Town, \$ 585 24 | | 1 Stone Hammer, 2,50; 1 Iron Bar, 1,25; 3 Pickaxes, 3,00, | 6 75 |
| | | | <hr/> \$143 75 |

Thus it will be seen, that but little more than half of the money raised, has been expended on the Highways. The Selectmen would state, that from various causes, the project of raising money and expending it under the superintendence of a Committee or board of Selectmen, has not had a fair trial the past season. They would strongly urge the continuance of the project the present year, believing as they do, that much more can be done to make our Roads permanent and at a much less expense, than can be accomplished in any other way.
